

Dear Parents!

If your child displays any of the following symptoms, it is important to keep your child home. If the symptoms persist, you may want to contact your pediatrician.

1. Fever 100.3 degrees. Your child should be fever free for 24 hours without medication before returning to school.
2. Persistent cough
3. Sore throat with fever and or white spots on throat.
4. Rash with fever. Child must have a doctor`s note indicating that they can return to school and is not contagious.
5. Nausea, vomiting or diarrhea.
6. Red itchy draining eyes. If your child has pink eye, and must be on medication 24 hours and doctor`s note indicating that they can return to school and is no longer contagious.
7. Prolonged stomachache or head ache.
8. Swelling or pain at a level that may interfere with learning.
9. Earache.
10. Toothache.
11. Head lice. A child must remain at home until treated with shampoo and must be nit free, credited, exchanged or refunded from tuition

If your child is not going to attend school please give us a call by 8:00 am. Missed days for illness will not be deducted, credited exchanged or refunded from tuition. Prolonged absences due to illness should be discussed with director.

Thank you
